

## **I'll Be More Like Jesus**

I'll be more, I'll be more, I'll be more like Jesus,  
every day

I'll be more, I'll be more, I'll be more like Jesus,  
every day

Fill me, Holy Spirit, every moment of the day  
I need your pure direction in all I do and say  
When my heart obeys your voice and you lead me  
in the way  
Then I'll be more like Jesus, every day.

I'll be more, I'll be more, I'll be more like Jesus,  
every day

I'll be more, I'll be more, I'll be more like Jesus,  
every day

*(Solo)* Represent his glory, Represent his likeness  
Represent his glory, more and more each day.

*(Men)* Fill me, Holy Spirit, every moment of the  
day

I need your pure direction in all I do and say

*(Women)* When my heart obeys your voice and  
you lead me in the way

*(All)* Then I'll be more like Jesus, every day.

I'll be more, I'll be more, I'll be more like Jesus,  
every day  
I'll be more, I'll be more, I'll be more like Jesus,  
every day

I'll be more, I'll be more, I'll be more like Jesus,  
every day  
I'll be more, I'll be more, I'll be more like Jesus,  
every day

I'll be more, I'll be more, I'll be more like Jesus,  
every day  
I'll be more, I'll be more, I'll be more like Jesus,  
every day

I'll be more, I'll be more, I'll be more like Jesus,  
every day  
I'll be more, I'll be more, I'll be more like Jesus,  
every day
