

Made to Praise Him

Verse 1

God is in his temple now
We were made to praise him
At his feet we humbly bow
We were made to praise him
(repeat)

We will sing a new song, Lord
With instrument and voice
In the one who gives us strength
We will now rejoice
Made to praise him!
In all of life redeeming
Everyday we were made
to praise his name!

Verse 2

As his people gather 'round
We were made to praise him
Join us in the joyful sound
We were made to praise him
(repeat)

Blessed are the
people who
are living by his word
Blessed are the people
whose God is the Lord
Made to praise him!
In all of life redeeming
Everyday we were made
to praise his name!

Made to praise him!
In all of life redeeming
Everyday we were made
to praise his name!
