

Feet Shod

Chorus:

I got my feet shod
With the preparation of peace
I got my belt of truth,
I've got my sword of the spirit
My shield of faith,
I've got my breastplate of righteousness
Helmet of salvation
I put on my armor
And I'm ready for the battle
Ready for the battle.

Verse:

Satan is like a roaring lion
Seeking whom to devour
So resist him with the steadfast faith
With the Spirit's grace and power!

I'm a soldier!

I'm a soldier!
