

New Creation

Chorus: Anyone in Christ is a new creation
Anyone in Christ has been born again
Anyone in Christ is a new creation
The old has gone and the new has come

1. Folk from every tribe around the world and
throughout history
Through the blood of Jesus Christ, have won
the victory!
Once we lived a life of slavery, but our hearts
have now been freed;
Whom the Spirit has set free: they shall be
free indeed!

To Chorus

2. The redemption of creation is the battle that
we fight.
In a world that's filled with darkness, we will
shine a light.
We are instruments of justice through the
Word we have believed
That our righteousness is all a gift we have
received.

To Chorus
