

# Help Me To Represent You

## *Chorus*

Jesus, help me to represent you  
Jesus, help me to represent you  
Jesus, help me to represent you  
Help me to represent you represent you today

## *Verse*

When I walk  
When I talk  
When I eat  
When I sleep  
When I'm mad  
When I'm glad  
With my Mom or  
With my Dad  
When I play  
When I pray  
When some trouble  
comes my way  
When I cry  
When I sigh  
From today until I die
