

Sweet Joy

When we gather in Jesus' name, and his Spirit is in our hearts,
We will never remain the same, each day will be a brand new start.

*We can't hide it!
We've got to share. (We've got to share)
Sweet Joy (Sweet Joy) will spread everywhere.*

*These things (These things),
has he spoken to you
that his joy (that his joy), that his joy (that his joy),
that his joy (that his joy),
might remain in you that no power can destroy.*

*These things (These things),
has he spoken to you
that his joy (that his joy), that his joy (that his joy),
that his joy (that his joy),
might remain in you and be complete, Sweet Joy.*

You can never bear fruit alone, we are part of the one true vine.

Whatever you ask will be done with his words
written on your mind.

*Jesus said it! And I believe, Sweet Joy! (Sweet
Joy) is ours to receive.*

*These things (These things),
has he spoken to you
that his joy (that his joy), that his joy (that his
joy), that his joy (that his joy),
might remain in you that no power can destroy.*

*These things (These things),
has he spoken to you
that his joy (that his joy), that his joy (that his
joy), that his joy (that his joy),
might remain in you and be complete, Sweet Joy.*

As the Father has loved the Son,
so the Son has been loving too,
Greater love never has been shown
than when he gave his life for you.

*This Commandment (This Commandment)
in his love (In his love) Sweet Joy! (Sweet Joy)
Our gift from above*

*These things (These things),
has he spoken to you
that his joy (that his joy), that his joy (that his
joy), that his joy (that his joy),
might remain in you that no power can destroy.*

*These things (These things),
has he spoken to you
that his joy (that his joy), that his joy (that his
joy), that his joy (that his joy),
might remain in you and be complete, Sweet Joy.*
