

# Walk The Talk

Walk the talk  
We're gonna walk the talk  
Walk the talk  
We're gonna walk the talk  
*(repeat)*

Do you have faith my brothers?  
Oh yes, we sho' do!  
Do you have faith my sisters?  
Oh yes we sho' do!  
*(repeat)*

When I talk about faith you can see that it's true  
Through the life that I live; what I say, what I do.  
Got to walk out my faith so the world can see  
That the Spirit of Jesus is living in me

Walk the talk  
We're gonna walk the talk  
Walk the talk  
We're gonna walk the talk  
*(repeat)*
