

Baptism

This is a sign of promised life.

The Spirit dwells in you and will pursue you throughout time.

This is a seal: a grace will be revealed.

By word and fellowship, a life to Christ will yield.

This is a sign of promised life.

The Spirit dwells in you and will pursue you throughout time.

This is a seal: a grace will be revealed.

By word and fellowship, a life to Christ will yield.

Sister and brother, you can believe!

I have adopted those born to Me.

Father and Mother, you can believe!

You and your children are bound to Me.

Father and Mother, you can believe!

You and your children are bound to Me.

What is seen, what is heard, that is stronger than My word?

Do not fear, I am near. For all time I will steer, hearts and minds of My own to the cross and My Son.

Do not fear, I am near. For all time I will steer, hearts and minds of My own to the cross and My Son.

Be a light, go in peace, I your Father will redeem.
Be a light, go in peace, I your Father will redeem.

Words and Lyrics by Michael Kendall
